Home Theater Group

This modular home entertainment group accommodates a variety of TV types by allowing the mixing and matching of units. The 743W Home Theater Console by itself, for example, can hold most 36" TVs and A/V components. For larger widescreen HDTV monitors or flat panel plasma TVs, the entire group is a stylish way to create a home theater center. The flexibility of the units, especially the 745W Home Theater Bridge, accommodates some projection TVs when the console is removed. TVs, monitors and A/V components vary in size, so please check the measurements of each unit to determine compatibility. Made of Alder and Red Birch hardwoods. Each piece is sold separately.

Home Theater Console • 743W

Size: 44" W x 22" D x 23" H
Two adjustable shelves: 20 11/16" W x 18 3/4" D

**Media Tower

744W Media Towers with 707W Media Tower Glass Doors and 747W Widescreen TV Console

Widescreen TV Console • 747W

Designed for a large entertainment system, this TV console has plenty of room for conventional TVs, flat panel monitors, A/V components and more. The open shelving in the center can be adjusted to easily hold most VCRs, DVD players or other types of electronics. Behind each flat panel door is an adjustable shelf and plenty of storage room. Slots in the back panel make it easy to thread electrical cords. Made from Alder and Red Birch hardwoods.

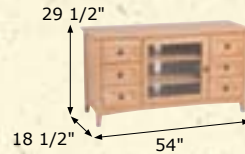

Open adjustable shelf:
21 3/4" W x 18 3/4" D
Concealed adjustable shelf:
17 5/8" W x 18 3/4" D

54"W McKenzie Media Console • 2068AUF

Drawers hold approximately 180 DVDs. Made of solid Alder. Features metal ball bearing drawer slides. Designed for use with 2058AUF 35" McKenzie Media Bridge. (See page 63.)

A ASSEMBLED

64"W McKenzie Media Console • 2069AUF

A ASSEMBLED

TV/VCR Unit • 712W

Practical and uncluttered, this unit easily holds a small TV and its accessories. Features include sturdy construction and easy-rolling casters. Made of Alder and Birch hardwoods.

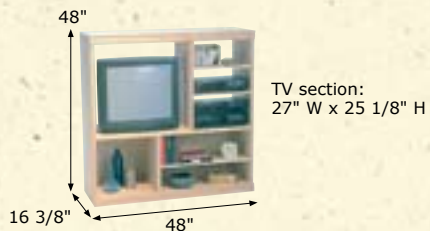

Open Media Cabinet • 725W

With three adjustable shelves, this cabinet is perfect for accommodating your audio and video components, books and collectibles. Sculptured moldings add a touch of elegance, and American hardwoods assure many years of use. The back is designed for easy electrical cord access. Made of Alder and Birch hardwoods.

48" Entertainment Center • 716W

This entertainment center includes three adjustable shelves for your audio/visual needs. Sculptured moldings add beauty and style. The top section of the unit is open for easy access to your television or stereo, while the bottom section has a back panel to hide unsightly wires. This unit will hold most 27" televisions. Made of Alder and Birch hardwoods.

Raised Panel Door Kit • 706W

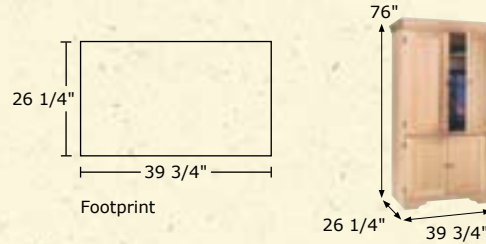

706W fits 716W Entertainment Center. Kit includes self-closing hinges and all hardware.

Cambridge Entertainment Center • 726W

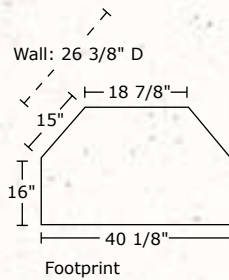

A beautiful centerpiece for any room, crafted from American hardwoods. This unit was designed as an entertainment center, but is extremely versatile. The interior is large enough to hold most 32" TVs, as well as multiple A/V components. Other uses could be storage of china and glassware, or blankets and linen. Doors are set on full wrap hinges that fold all the way back along the sides. Pre-drilled holes accommodate electrical cords. Made of Alder and Red Birch hardwoods.

TV opening without shelf:
35 3/4" W x 23 3/4" D x 44" H

Cambridge Corner Entertainment Center • 732W

Attractive and space saving, this unit is ideal for your entertainment needs. Made from American hardwoods, this unit will hold a 32" TV in a small corner of most any room. Features three adjustable shelves for A/V components. Raised panel doors set on full wrap hinges, are accented with fluted and rope mouldings. Pre-drilled holes in the back to accommodate electrical cords. Made of Alder and Red Birch hardwoods.

TV opening without shelf:
35 3/4" W x 15 3/4" D x 44" H

Cambridge Storage Cabinet • 731W

A handsome unit crafted from American hardwoods that can hold a variety of items. This cabinet is a beautiful way to display books and collectibles or house your A/V components. For stability this unit features one fixed and three adjustable shelves. Lovely raised panel door can be mounted to open left or right. It also makes a beautiful companion to our 726W Cambridge Entertainment Center. Sold separately. Made of Alder and Red Birch hardwoods.
